HMS ORCHESTRA CONDUCTOR'S CLUB

What is the purpose of the HMS Orchestra Conductor's Club?

Fundraising organization that promotes the growth and development of instrumental music at Horizon Middle School.

Opportunity for supporters of HMS orchestras to make a 'once per year' tax-deductible donation for the growth and development of the orchestras.

For what will donations be used for?

Current: Music Camp Scholarships

Expanding our current inventory of Instruments

The repair of our instruments we currently have

Help defray costs of tours and traveling

Upgrading and expanding our Music Department

Technology

Why is such a program important?

Orchestra programs have an ongoing need for additional funds and students are often enlisted to help in raising these funds. Our community has many groups that are also continuously raising funds. This program will help HMS orchestras avoid doing multiple door-to-door fundraisers.
